

Vivid, but also muted in a sense. The colors are really contrastive, but are still cohesive. Futuristic, retro.

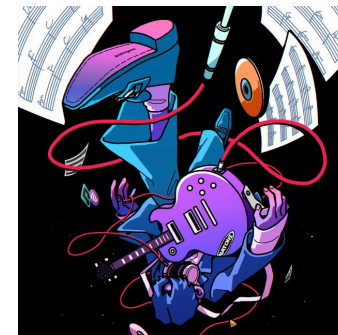

Bold, confident, but cohesive. Colors are contrastive but still cohesive!

Bold, confident, almost like printer ink colors.

Interesting mix of colors. The red serves as a really nice pop of boldness

playful!

Futuristic, playful, soft. The light pink serves as a nice highlight.

Retro cyberpunk feel. The pop of brightness from the green is really cool

State Wide Extra Bold ->
Very blocky/straight strokes.
Loud and confident vibes. Also
sans-serif.

Gravitica
Mono Icon
Demi Bold
Uniform strokes. Clean,
not much "flair". Easy
to read.

Bold, geometric
sans-serif. I like the
roundness and uniform
stroke width. It is very
clean and easy to
read. The roundness
makes it feel inviting.

Gilker
Very bold and playful
because of how round
it is. Good to capture
attention

Folio Std Medium -
feels very clean, but
also modern. The stroke
endings are minimalistic
with some. Overall
friendly but professional
vibes.
